Dear Rampengan,

Reviewers have now commented on your paper. You will see that they are advising that you revise your manuscript.

For your guidance, reviewers' comments are appended below.

Please submit a list of changes or a rebuttal against each point which is being raised when you submit the revised manuscript.

Your **revision** is due by Mar 19, 2018.

To submit a revision, go to <https://alliedjournals.editorialmanager.com/> and log in as an Author. You will see a menu item call Submission needing Revision. You will find your submission record there.

Best Regards,
Editor
Current Pediatric Research

Reviewers' comments:

Reviewers' comments:

Reviewer #1: 1. As the percentage of three dose vaccination was less than 80% whether all the participants in the study received the primary vaccination?

2. What are the potential reasons of non-response participants?

3. The time point for retest the anti-HBs titers was not suitable.

4. The English needs improvement as the spelling and grammatical errors.
