Dear Author(s),

Please find attached proof of your paper. Kindly go through it keenly and point out any mistakes (**in red font color**). For your help a checklist is given below. After this stage author (s) will be responsible for any mistake in the final manuscript. Editorial Office has incorporated corrections/suggestions by reviewers, therefore such changes should be just noted and accepted. Kindly send line-to-line corrections if any. Author (s) is (are) solely responsible for authenticity of cited literature and originality of data being reported. Editorial office will not be responsible for any plagiarism.

**Note: Please do not change the journal style and formatting otherwise 2nd round of proof checking will cause a delay in paper publishing process.**

**Checklist**

1. Correct/respond to text in **red** font color
2. Provide **full names of all authors** if already not provided. Otherwise check the author names and affiliations.
3. Provide a **running title** if not already provided.
4. Check for any spelling mistakes,
5. Check for any deletion during editing or shifting of paragraphs on wrong place etc.
6. Check that all figures and tables are cited in text and also provide in paper.
7. Cross check all references cited in text that all are present in list and vice versa.
8. If the references in list are not according to format of journal provided in author guidelines at our website ([www.isisn.org](http://www.isisn.org)), send the reference list as per journal style as MS word file
9. Check that all scientific names are in *italic* format
10. Any other mistake to be corrected before publication.

**Kindly send the corrections or nil report within 48 hours.**
