We wish to submit revised the full paper entitled "Moisture sorption isotherm of natural condiment cube made from juice water of *katsubushi* plant, coated with edible coating and stored at ambient temperature" (F Mentang¹⁾, R I Montolalu¹⁾, H A Dien¹⁾, M A Djohar¹⁾, Y Katiandagho¹⁾, A U I Meko²⁾, S Berhimpon¹⁾) for the IOP publication.

Please address all correspondence concerning this full paper to me at rmontolalu@unsrat.ac.id.

Thank you very much for your consideration.

Sincerely,

Roike Iwan Montolalu

Dear participant,

Thank you for submitting your manuscript. We have done the editing, proofreading and plagiarism check. Unfortunately, your similarity index exceeds our standard. We only accept manuscripts with similarity index under 15%. Please re-check, re-phrase, and edit your manuscript if you would like to publish it with us. Please find attached files. We hope to receive your revision before 16 January 2019, otherwise we cannot publish your work. Thank you for your attention and understanding.

Best regards,

Dear participants,

We are delighted to inform you that your manuscript is already passed the reviewing, editing, formatting and plagiarism checking. Please note that we have revised your article to meet the standards of the IOP International Proceeding. You might find changes in your manuscript, made by our Editors and Proofreaders, but we are not changing the substance of your work.

Please confirm to us that you agree and confirm that your manuscript is the true work of all of the authors written in the manuscript and agree for the manuscript to be published by IOP for the output of our workshop (The 3rd EMBRIO International Workshop). Authors are aware that by submitting an article for publication, an author is assumed to accept the terms of the Proceedings Publication Licence (http://conferenceseries.iop.org/content/quick_links/IOP_Proceedings_Licence).

The 3rd EIW committee and Publisher are not responsible for any loss, damage, cost, liability or expense (including reasonable attorneys' fees) which arises from any action or claim of a third party that the Work contains libellous or unlawful statements or that publication of the Work infringes the copyright or other intellectual property right of such third party.

Kindly confirm by replying this email. If we are not getting any response within 1x24 hours, we assume you have read this email, agree with the statement above and confirm that your manuscript has not been published in any other journal/proceeding.

Best regards,
EMBRIO Team
