Subject: Cochrane review - Licence for publication form required
Date: 26 July 2014 02:59
To: Windy MV Wariki wwariki@yahoo.com

Dear Windy MV Wariki,

We are pleased to let you know that the Cochrane review 'Structural and community-level interventions for increasing condom use to prevent the transmission of HIV and other sexually transmitted infections' is now ready for publication. Before it can be published, however, you need to complete the Licence for publication form.

Please click on the link below, log in to Archie, and complete the form.

<http://archie.cochrane.org/lfp.jsp?pk=z1407251959341105587833109736928>

The form contains links to view the latest version in published PDF format as well as in RevMan format.

The review will be published on 25/07/2014 22:59 GMT at the earliest, or approximately 2 hours after the last form has been completed.

More detailed instructions are available here:

<http://ims.cochrane.org/archie/documentation/licence-form-instructions>

Do not hesitate to contact me if you experience problems.

Best wishes,

Hacsí Horvath thorvath@psg.ucsf.edu

Dear Windy MV Wariki,

The Cochrane review 'Structural and community-level interventions for increasing condom use to prevent the transmission of HIV and other sexually transmitted infections', for which you have accepted the Licence for publication, has been edited prior to publication.

To highlight the changes you can compare the latest version with the previous version using this link (requires login):
