Dear Dr. Maryani,

I am glad to tell that the paper has passed the preliminary evaluation and will be sent to reviewers for a much deeper analysis.

You are already aware about the publication fee of 200 USD + bank taxes which should be paid after acceptance.

In case you wish to suggest specific reviewers (either board members or not), kindly let me know. If not, we will use our internal reviewers. I will look forward to receive your reply.

Thank you very much!

Sincerely yours,  
Claudiu Gavrioloaie
