Dear Dr. Pratasik,

I received the paper of Rumampuk et al's. More soon.

Regarding the paper of Maryani et al, it has many flaws (especially related with the references), this being the reason for rejection from the second reviewer. Anyway, I have already done much work on editing the paper as it should be. And I hope to deliver the complete revision very soon.
Thank you!

Yours,
Claudiu Gavriiloae
