Subject: Re: Acceptance Notification (Paper ID: 104700061)

Dear Editor,

I firstly would like to thank you for the acceptance letter of my article "paper ID 104700061" and apologize this inconvenience. In my manuscript, there were some mistakes in the number order of the reference in the text and the references. Therefore, I have changed them and send you the revised one (attached). I hope this version could be taken for the publication. If there is any other problem, do not hesitate to contact me.  
Thank you

Wishes,

Silvester Benny Pratasik
