J Jones Cathy <comment.sapub@hotmail.com> To: spjong07@yahoo.com Wed, Aug 12, 2015 at 5:20 PM ★

Dear Silvester Pratasik,

How are you? I am Cathy Jones from SAP ((Scientific & Academic Publishing), I am writing to confirm whether you have received the "Typeset Proof of paper (ID: 104700061, Entitled: Size at first maturity of cuttlefish, Sepia latimanus, from North Sulawesi waters, Indonesia) and Review Result from SAP", since I have not got any reply from you.

If you never hear from me on any emails, please check your "Spam folder". We do apologize that many emails we sent are intercepted for some reasons cause some misunderstands between the authors and SAP. **Or you can log in our website to download the Review Result.**

Kindly informed me the paper status. It will be very appreciated that you send a clean copy as required time. The sooner your paper is accepted, the sooner it will be published online.

Looking forward to hear from you soon.

Sincerely,
Cathy Jones
