Dear Silvester B. Pratasik

I had sent your ms to our section editor by email but he forgotten to evaluate and start is reviewing process. Anyway, I went through your ms and I found it regional with little information provided, therefore it can not be considered as Research article, but I can consider it as short communication after its correction and shortening. If you revise it for short communicating, then you can send it to me via this email and I asked our editor to read it for final decision.

Please be sure that it should be prepared based on our journal guideline.

Regards,
Managing Editor
