Waiting your reply, as soon as possible.

There is no Official Article Publication Charge. The Editorial team work as volunteers. Due to the large amount of work we use external editors for English, graphical art and text corrections. Some article can't be published without the support of editors. Authors are encouraged to support the external editors and journal's development as sponsorship. Standard support for the correction of an article is an amount of 200 EURO. Help the journal to maintain the standards in Open-Access and to continue its existence. You have the volunteer option to support us. In this way we ask you kindly to support us. The amount, on your decision, can be paid by wire transfer (we will provide account) or to avoid additional costs by Western Union or PayPal.
