Dear Smujo editors,
I am the corresponding author of deep sea squid article. After review process, I sent our revised paper directly to the editor following all your comments due to having problem with the system. I also have written you several times asking about the status of the paper, but no response. We will withdraw the paper if you do not want to process it, because it has taken almost a year. Thank you for your cooperation.

Sincerely Yours,
Silvester B. Pratasik
