Rab, 15 Jul 2020 jam 16.50

Dear Prof Erwin Wantasan,

Thank you for submitting the manuscript, "Investment Advantages of Broiler Production Using the Partnership System in Regency of North Minahasa, Province of North Sulawesi, Indonesia (Case study on UD Matuari Waya Broiler Farming)" to Journal of Agricultural Sciences – Sri Lanka. With our online journal management system, you will be able to track its progress through the editorial process by logging in to the journal [web site](#).

Your submission will now be considered by our Editors. Research papers deemed appropriate for the journal will proceed directly to peer review, which generally take around 8 weeks to be completed. Non-research papers will undergo a full Editorial review process, which will take 2-3 weeks. Following the completion of the review, you will be contacted by journal staff with review feedback.

Thank you for considering this journal as a venue for your work. Please get in touch should you have any questions regarding your paper.

process, which will take 2-3 weeks. Following the completion of the review, you will be contacted by journal staff with review feedback.

Thank you for considering this journal as a venue for your work. Please get in touch should you have any questions regarding your paper.

Kind regards,

-- Journal of Agricultural Sciences – Sri Lanka editorial team.
