Dear Authors,

It is very pleased to inform you that your article has been published in a new issue of **Bulletin of Chemical Reaction Engineering & Catalysis (ISSN: 1978-2993) (Vol. 12 Issue 2 Year 2017) published Regularly on August 2017. The current issue has available online since May 8th, 2017.**

The published issue URL address is here (new website): <http://ejournal2.undip.ac.id/index.php/bcrec/issue/view/140>

All fulltext articles in this issue is still processing on inclusion the metadata into reputable databases (SCOPUS, Compendex, Web of Science Core Collection Database, CABI, Chemical Abstract Services, EBSCO, ProQuest, etc.).

Thank you for your great contribution to this reputable journal. Your next articles following focus and scopes of BCREC journal are very welcome.

NOTE: Please help us to always cite to articles published by Bulletin of Chemical Reaction Engineering & Catalysis (especially articles published since year 2015) when you write articles published in other reputable journals, because this reputable journal has been in evaluation process at Thomson Reuters Web of Science (ISI) to be indexed in Science Citation Index Expanded (SCIE) or to be included in Journal Citation Report (JCR).

Kinds Regards
