Dear Dr. Wuntu,

We would like to inform you that after the preliminary evaluation your paper is qualified for processing (reviewing).

Before proceeding to the review please consider that a processing publication fee of 250 USD is required. The average duration of the publication process is 10 weeks, but it can be reduced in exchange of a priority tax of 50 USD (<http://www.bioflux.com.ro/journal/>).

In case the manuscript is not published, the author or his/her institution is reimbursed (exceptions are made in the cases of poor feedback from authors or withdrawal/rejection due to multiple submissions).

I will be your editor and I will stay at your disposition for all the aspects concerning your manuscript.

Concerning the payment procedure, you will find all the details bellow and I would like to kindly ask you to send me the scanned receipt of the payment in order to start the publishing process. Upon reception of your payment receipt we will send you the invoice.

1st payment option:

Beneficiary:

Bioflux SRL

City: Cluj-Napoca ,

Country: Romania, European Union;

SWIFT CODE of the bank: BTRLRO22

Account USD:

RO68BTRL01302202L28614XX

Bank:

BANCA TRANSILVANIA

Important! When bank transfer is used to pay a publication fee, please choose the right option, which is "US"! (among the three options you have: Ben, Our, Us).

The option "Us" means that **all the transfer fees are at your charge**. Please note that in case you do not specify the "Us" option, the payment will not be valid.

2nd payment option:

via Paypal. If you can process such a payment we can start the online form.

If you prefer this option please let us know and we will send you the invoice via Paypal and afterwards you can process the payment.

For this payment option you need a credit card (international, non-iranian card). Please take into account that all bank taxes are in your concern.

We recommend not to send your manuscript to more than one editor, in order to avoid being double charged.

Do not hesitate to contact me for any kind of questions related to the process.

Thank you for publishing with us!

Kind regards,
Editor AACL Bioflux
