Dear Dr Yelnetty,

Frontiers Pharmacology Editorial Office has sent you a message. Please click 'Reply' to send a direct response

Congratulations on the acceptance of your manuscript. I would like to draw your attention to the final comments of Chief Editor Michael Heinrich (reproduced below), and we kindly ask that you consider addressing this after receiving the typeset proofs from our Production Office.

Just one minor correction:

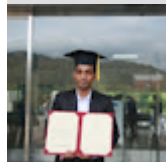

The need to use the taxonomically valid name upon first mention of the species:
Ananas comosus (L.) Merr.

Best wishes,
Elaine Pasqual
