Dear Editor-in-Chief,

We wish to submit an original research article entitled "Employing an *in silico* Approach to Evaluate the Potential Immunomodulatory and Anti-inflammatory Properties of Phytoconstituents Derived from Pineapple (*Ananas comosus* (L.) Merr.) Peel Extract" for consideration by Philippine Journal of Science.

We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We believe that this manuscript is appropriate for publication by the Philippine Journal of Science because it complies with the journal's aims and scope.

We also state that we have no conflicts of interest to disclose.

With this email, the required documents are attached. Please address all correspondence concerning this manuscript to me at trina_tallei@unsrat.ac.id

Thank you for your consideration of this manuscript.

Sincerely,

Prof. Dr. Trina E. Tallei
