Dear Dr. Tallei:

This refers to your paper entitled, "**Employing an in silico Approach to Evaluate the Potential Immunomodulatory and Anti-inflammatory Properties of Phytoconstituents Derived from Pineapple (*Ananas comosus* (L.) Merr.) Peel Extract**" [Ms 21-251], which was submitted for possible publication in the Philippine Journal of Science.

On behalf of Dr. Caesar Saloma, I am sending you the letter of the Editor-in-Chief and the comments of the reviewers regarding its need for revision.

Please submit an itemized list of your answers to the said comments together with the revised version of your paper. You may also provide rebuttal should you not agree with the comments. Kindly notify us upon receiving this letter.

Thank you very much. I look forward to receiving your revised paper.

Sincerely,
David Matthew C. Gopilan
Editorial Assistant

Dear Dr. Tallei:

Apologies not needed since you're days ahead of the deadline.

Moving forward, we'll be sending your revised **Ms 21-251** paper and your rejoinder to the reviewers for another round of evaluation.

Thank you.

Sincerely,

Dear Dr. Gopilan,

Greetings. I apologize for my carelessness. I thought I had sent my manuscript revision. It turns out that after I checked, it just got attached and hasn't been sent yet. That's why I just sent it today.

Best regards,
Trina Tallei
