Dear Joy,

please find attached the layout of your extended abstract to be published in the conference proceedings book.

There are several things I would ask you to do **by tomorrow, June 4**. All comments are provided in the file attached.

Let me know if there are any comments or corrections with regard to the current form of the material. If you are satisfied with it as it is, please confirm that you agree to publish the extended abstract in its current form.

As for the payment, we may extend the deadline for payment for you by June 15.

Please provide **Grace B. Nangoi's** ORCID IDs (if any) or your co-author can authorize the ORCID profile following the [link](#) (Connect your ORCID ID). Be sure that all your information (login, password) is strictly confidential and nobody but you will have access to your profile.

Also, I'd like to mention that you are kindly invited to elaborate your extended abstract up to the full paper and to submit it to one of our [journals](#). The paper will be subject to a separate double-blind reviewing process.

The editorial team supposes that this research may fit the scope of the journal **Corporate Board: Role, Duties and Composition** (<https://virtusinterpress.org/-Corporate-Board-Role-Duties-and-Composition-.html>), so you are heartily invited to submit a full paper to this journal.

Please let me know if you are interested in this opportunity.

I am looking forward to hearing back from you.

Best regards,

Olha
