Dear Dr. Diana Lalenoh,

Please understand that, providing a huge discounts is so difficult for us. We expect a reasonable payment for our efforts we had put on your manuscript: like quality review processing, editing's, conversions, image/table settings etc using our quality resources. As all these efforts also costed us on your manuscript till date and also in future. We sincerely hope you might appreciate us, for making your article to look best for the readers.

We also discussed the same with our management and came up with huge \$600 USD discount offering and requesting you to pay \$919 as previously paid.

The fee can be paid online here with card details:
