Dear Author
Dr. Christine Fransin Mamuja

We have reached a decision regarding your submission to,
Title: **UTILIZATION OF VARIOUS TYPES OF MANGROVE FRUIT AS A HIGH CARBOHYDRATE FOOD SOURCE**
our decision is to Minor revisions.

If you wish to review and resubmit the manuscript for technical review,
please do so within 30 days.

Reviewer 1:

Review Summary

Rate the overall quality of this paper on the following scale (Select):
3 = Good

What is your recommendation for this paper? Please select one::
Major revision requiring re-review

Technical Quality: In this section, please evaluate the technical merit of
the paper, aside from presentation issues.

Would at least 10% of the agricultural community
be interested in this paper?:
A = Yes, it would be

Would this paper stimulate further work?:
A = Yes, it would be

Would at least 10% of the agricultural community be interested in this paper?:
A = Yes, it would be

Would this paper stimulate further work?:
A = Yes, it would be

Does this paper present original and creative ideas?:
A = Yes, it does

Are the results of this paper important?:
A = Yes, they are important

Is this paper technically sound? (If not, please provide details in the comments section):
A = Yes, it is

If the paper presents practical material, is it sufficiently well explained that a competent graduate student equipped with the references could write an implementation (repeatability)?:
B = No, it is not

Presentation Quality: In this section, please evaluate the presentation of the paper, aside from technical issues.

Is the title appropriate?:
A = Yes, it is

Dear author

Dr. Christine Mamuja

Please find attached the PDF and MS word versions of the Galley Proof of your accepted manuscript.

Important Note 1: Kindly carefully change the reference style (Changes should be made in the Reference Section as well as content of the paper to the JOURNAL style. Reference style mismatch may result delay in publication. The reference numbers in the text should be written serially (Like corresponding reference for numbers [1], [2], [3],should be presented in the reference list accordingly. Kindly see the attached published guideline) to refer the JOURNAL reference style.

Please go through the manuscript very carefully. At galley proof stage no change is allowed. Authors are strongly advised not to do any change in the manuscript. Only minor **spelling/style/punctuation/grammar** changes are allowed at this stage. Kindly note that type setting of manuscript change requires additional approval from reviewers and editors.

Best regards,

Editor Journal of Survey in Fisheries Sciences
