Dear Professor Lee, Jung Wan,

Attached are the files required for further review process. I do acknowledge that I am one day late from the deadline mentioned in your previous email due to some unavoidable technical problems. I do sincerely apologize for that and hope that this research article can still be considered for publication in JAFEB Volume 9 Issue 4, April 30, 2022.

I consolidated the manuscripts into 1 archive file, which consists of 1 file with authors' full information based on the journal template and another file is the revised manuscript. Hopefully, I do not misunderstand the instructions provided in your previous email. If I mistakenly misunderstood the instructions, if allowed, I will revise the files and re-submit them. Thank you very much for giving me the opportunity to have this article be included in the further review process. Hopefully, this article may provide contribution to the existing finance discipline and meets the qualifications to be published in this journal.
