To  
All Authors  
Participants of 1<sup>st</sup> ICCC 2018

Greetings,

In appreciation of your patience, we are pleased to notify that your manuscripts will be finally published in August 2019 as a supplement issue of EEC journal.

We do apologize for this extended delay in the publication of the journal due to the completion of the minimum number of manuscripts required to publish a supplement issue series.

Regarding this matter, the EEC journal editorial team has announced the new rate due to their 2019 regulation on publication fee which is now USD 40 (was previously USD 35) per printed page. At this new rate, you are required to pay half of the total fee of your manuscript as an installment no later than June 11, 2019. The rest of the payment should have been completed before August 2019.

Publication fee of all manuscripts should be transferred to ICCC committee bank account (**BNI Kupang Branch (229) Acc. No. 0694226290 Swift code BNI NI DJA KPA**) before it is transferred collectively to EEC journal.

Thank you for your kind attention and cooperation.

Sincerely,

Acknowledged by,

Yth. Bapak/Ibu  
Peserta 1<sup>st</sup> ICCC 2018 (*Authors*)

Salam sejahtera,

Sehubungan dengan penundaan publikasi artikel bapak/ibu pada jurnal EEC demi pemenuhan jumlah minimum artikel yang diharuskan dalam penerbitan, kami mohon maaf atas keterlambatan ini.

Sebagai penghargaan atas kesabaran bapak/ibu yang telah berpartisipasi dalam 1<sup>st</sup> ICCC 2018 dan publikasi pada jurnal EEC, dengan ini kami sampaikan bahwa artikel bapak/ibu akan segera terbit pada Agustus 2019 dalam Supplement Issue Series EEC Journal.

Berkaitan dengan adanya kenaikan biaya publikasi setiap artikel yang dihitung per halaman, tim editor jurnal EEC telah menetapkan rate terbaru untuk publikasi 2019 yaitu USD 40 per halaman (sebelumnya USD 35) dengan kurs USD 1 = IDR 14.600,-. Dengan rate yang baru ini, bapak/ibu diharuskan sudah membayar setengah dari total biaya per artikel sebagai pembayaran awal paling lambat tanggal 11 Juni, 2019. Kekurangannya sudah harus dilunasi sebelum Agustus 2019.

Biaya publikasi semua artikel ditransfer ke panitia ICCC melalui rekening bank (**BNI Kupang Branch (229) Acc. No. 0694226290 Swift code BNI NI DJA KPA**) sebelum ditransfer secara kolektif ke jurnal EEC.

Terima kasih atas perhatian dan kerja sama bapak/ibu.
