Dear Dr. Raffaele Capasso,

This is regarding the manuscript "7170736" titled "A Comprehensive Review of the Potential Use of Green Tea Polyphenols in the Management of COVID-19" submitted on "Evidence-Based Complementary and Alternative Medicine"

While checking the author list on the Review System and the one on the Manuscript are different: Dr. Arka Jyoti Chakraborty is missing in the system but presented in Manuscript file. Please confirm the final author list to update our records accordingly.

I look forward to hearing from you.

Best regards,  
Muthushanthi
