Dear Dr Widaty:

It is a pleasure to accept your manuscript entitled "Mucocutaneous mycoses in people living with human immunodeficiency virus in Indonesia" in its current form for publication in Mycoses.

Please note that although the manuscript is accepted, the files will now be checked to ensure that everything is ready for publication, and you may be contacted if final versions of files are required.

Your article cannot be published until the publisher has received the appropriate signed license agreement. When the article is received by Production, the corresponding author will receive an email from Wiley's Author Services system with a prompt for logging into the system and completing the appropriate license.

Thank you for your fine contribution. On behalf of the Editors of Mycoses, we look forward to your continued contributions to the Journal.

Sincerely,

Dr Martin Schaller
Editor in Chief Mycoses
