Dear Dr. Kalesaran,

Here you have the revision for the paper entitled "**Biometric relationships of the black-lip pearl oyster, *Pinctada margaritifera* from North Sulawesi waters, Indonesia**". There are only few minor comments to be addressed.  
For this, kindly work only in attached document and **highlight with a bright color all the changes you will do in text.**

Regarding the publication fee of 200 USD + bank taxes, try to pay it by the end of this month, using only one of the variants below. After that, I will need a scan copy of the money transfer document, so my colleague Petrescu-Mag to be able to check the bank account.  
Thank you very much!

Truly yours,  
Claudiu Gavrioloie

Dear Dr. Pratasik, dear Dr. Kalesaran,

The paper entitled "**Biometric relationships of the black-lip pearl oyster *Pinctada margaritifera* from North Sulawesi Waters, Indonesia**" has successfully passed the preliminary evaluation and will be send to reviewers for a much deeper analysis.  
In case of acceptance, a publication fee of 200 USD + bank taxes should be paid, which you are already aware about.

If you wish to suggest a certain reviewer, please let me know the name, the institutional affiliation and the e-mail address (this only in case you suggest a reviewer which is not a member in our editorial board, if he/she is already on board, I only need the name).

I will look forward to receive your reply.  
Thank you very much!

Cordially yours,  
Claudiu Gavrioloie
