Submission of a manuscript for LRRD

Richard Osak <richard.osak@unsrat.ac.id>
kepada Thomas

Sel, 19 Nov 2019, 20.09

Dear Editor,

I would like to submit the following manuscript for possible evaluation.

Manuscript Title: Potential replacement of grasses with legume trees in the Coconut-Beef Cattle Integrated Farming System (Coco-Beef IFS).

Thank you.

Warm regards,

Richard E M F Osak

Faculty of Animal Sciences, University of Sam Ratulangi
Manado, Indonesia

Dear Author

Paper received with reference as in the subject line.

Please put this reference in the subject line of all correspondence.

Please remind me every 3 weeks regarding the review status.

Please ensure

- the tables ensuring only 3 numbers after or before the 00 (eg: 193 Not 193,25) and that table headings are inside the table and tables and graphs are incorporated inside the text.
- the formatting of the paper and the reference list follow instructions in Notes to Authors.
- URLs are accessible and active.
- Figures and tables to be placed inside the text

Well received. However, I suggest a picture also of the Indigofera at the time of harvest. You should also indicate if or was chopped by machine orf knife. Hence the need of photos.

Regards

Jum, 22 N

Dear Professor T R Preston, PhD, DSc.
(Senior Editor),

I have added a picture (Figure 1) as the last suggested by Professor,
although not as complete and perfect as your suggested.

Thank you.

Warm regards,

Dr Richard E M F Osak (Author)

Noted with thanks.

I will suggest some ideas and do some editing.

I expect the paper will be ready for publishing in January issue of LRRD.

Regards
