Dear Prof. El. Thalassinos,
Thank you for your information. I carefully reads the proofs, including author names/initials and affiliations, the tables, and checked the references, and have no corrections, except for the word "proves". Please check the attachment.

Kind regards,
Novi S. Budiarno

Dear Colleague,
 Congs for your publication in ERSJ. It is coming in issue 3 2019. Please check the attachment, make corrections in red ink on this version only and send it back to me as soon as possible.
 Warmest regards,
