Dear Novi Swandari Budiarmo,
Your manuscript MA1532 "DIVIDENDS AS CONTROL MECHANISM OF STOCKHOLDERS" needs to be revised according to the below mentioned comments:

- "1. The title of the manuscript should be concretized.
- 2. The keywords should be revised to avoid repeating the title of the manuscript (key words should **not** repeat the title and please use words and **not** phrases).
- 3. Conclusion section should be increased. <https://businessperspectives.org/journals/investment-management-and-financial-innovations#submission-guidelines-for-authors>

Conclusion

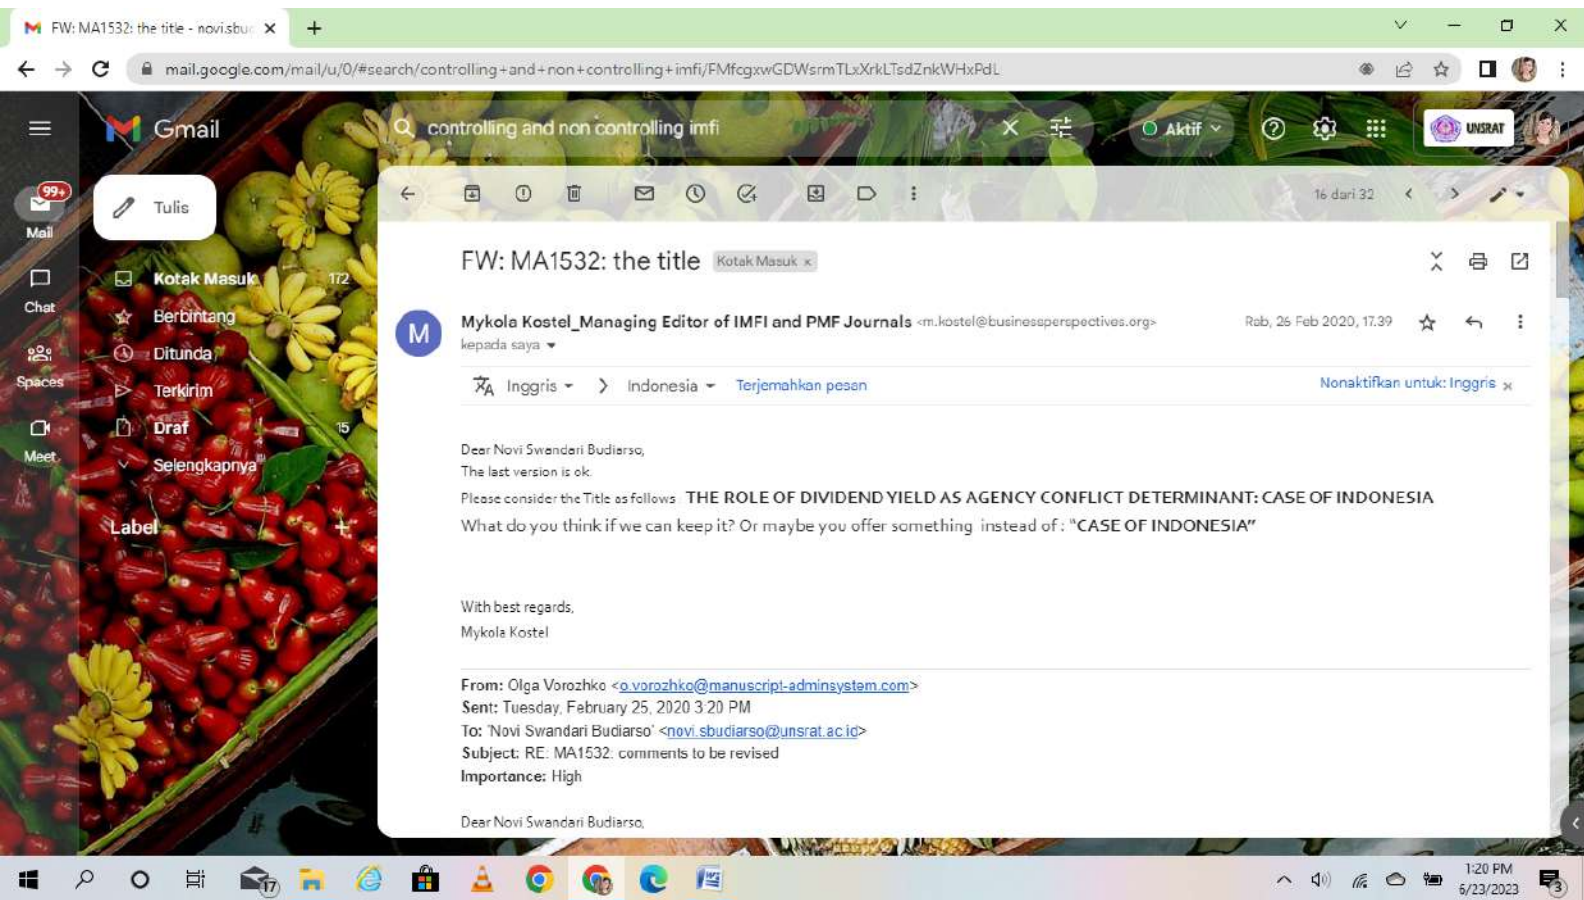

In this section the main ideas of the manuscript are presented, the obtained results and their novelty are demonstrated. The possibiity of practical use of the obtained results should be outlined and the directions for further scientific research should be offered.

- 4. The situation that prevailed from the results of checking your manuscript for plagiarism may indicate (we can assume) that some of the sources referenced in your article were **not** studied and considered by you. These sources were mentioned in other works from which you borrowed and used a small fragment of the text, probably with the aim of increasing the list of sources. Please check and revise your manuscript."

Please revise the manuscript according to the comments and send the revised version as soon as possible.

With best regards,
Olga Vorozhko

Dear Novi Swandari Budiarmo,
 The last version is ok.
 Please consider the Title as follows **THE ROLE OF DIVIDEND YIELD AS AGENCY CONFLICT DETERMINANT: CASE OF INDONESIA**
 What do you think if we can keep it? Or maybe you offer something instead of: "CASE OF INDONESIA"

With best regards,
 Mykola Kostel
