Dear Author,

We are very sorry for delay of review result announcement as review process took longer time than expected.

Based on the reviewers evaluation and recommendation, there are three categories:

1. Accepted for publication in IOP
2. Accepted for publication in ISBN prosiding
3. Rejected.

For those accepted for publication, please revise your manuscript according IOP Template and review result recommended by the reviewer (attached). Please also note that the paper that you need to revised is the latest paper that has been sent by committee (attached) and do not change the file name. Please send the revised version (doc/docx format) to us by **5th April 2019**.

Thank you.

Regards,
 ICOR 2018 Committee
