Dear Editor,

We thank you for gave us information about our manuscript progress and we would like to thank you too for an opportunity for us to publish our manuscript on your International Journal of Conservation Science.

We already read and revise about your notice ( the native distribution of *Fragaria* spp. and *Euphorbia cotinifolia* L.). We also attached copyright IJCS who already filled and signed.

We very glad to wait your answer as soon as possible.

Thank you.

Best Regards,
