Dear Mien T.H Lapian

December, 20 2024

We are contacting Chelonian Conservation and Biology Journal Number Paper Ms no. PN 385

Title of the Manuscript:

The Effect of Complete Feed Substitution with Coffee Peel Waste on the Performance of the Finisher Phase Pigs

regarding Ms no. PN 385

We are pleased to inform you that reviewers have reviewed your manuscript and recommended it for minor revision.

All review comments (2. nos.) are attached with this email.

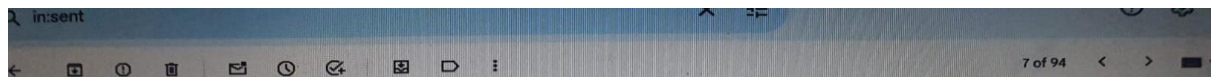

You are hereby requested to kindly acknowledge the receipt of this mail.

Important points:

Deadline:

Authors are requested to send a revised paper as soon as possible (within 7 days) to accelerate the pre-publication formalities. **within this deadline, the paper can be published in the current issue of the journal within 7 days. If extra time is required, kindly inform us urgently.**

Revised paper:

Deadline:

Authors are requested to send a revised paper as soon as possible (within 7 days) to accelerate the pre-publication formalities. **If we receive the revised version within this deadline, the paper can be published in the current issue of the journal within 7 days. If extra time is required, kindly inform us urgently.**

Revised paper:

Authors are requested to submit the revised paper with all the corrections highlighted in yellow color, (for example, abc.....efg). Authors should write their feedback in the review form in the space for 'author's comment' and send back the filled forms to us along with the corrected revised paper.

With Best Regards_____

Review Summary

Rate the overall quality of this paper on the following scale (Select):
2 = Fair

What is your recommendation for this paper? Please select one:
Major revision without re-review

Technical Quality: In this section, please evaluate the technical merit of the paper, aside from presentation issues.

Would at least 10% of the agricultural and biological engineering community be interested in this paper?
B = No, it would not

Would this paper stimulate further work?
A = Yes, it would be

Would this paper stimulate further work?:

A = Yes, it would be

Does this paper present original and creative ideas?:

B = No, it does not

Are the results of this paper important?:

A = Yes, they are important

Is this paper technically sound? (If not, please provide details in the comments section):

A = Yes, it is

If the paper presents practical material, is it sufficiently well explained that a competent graduate student equipped with the references could write an implementation (repeatability)?:

A = Yes, it is

Presentation Quality: In this section, please evaluate the presentation of the paper, aside from technical issues.

Is the title appropriate?:

B = No, it is not

Is the abstract acceptable?:

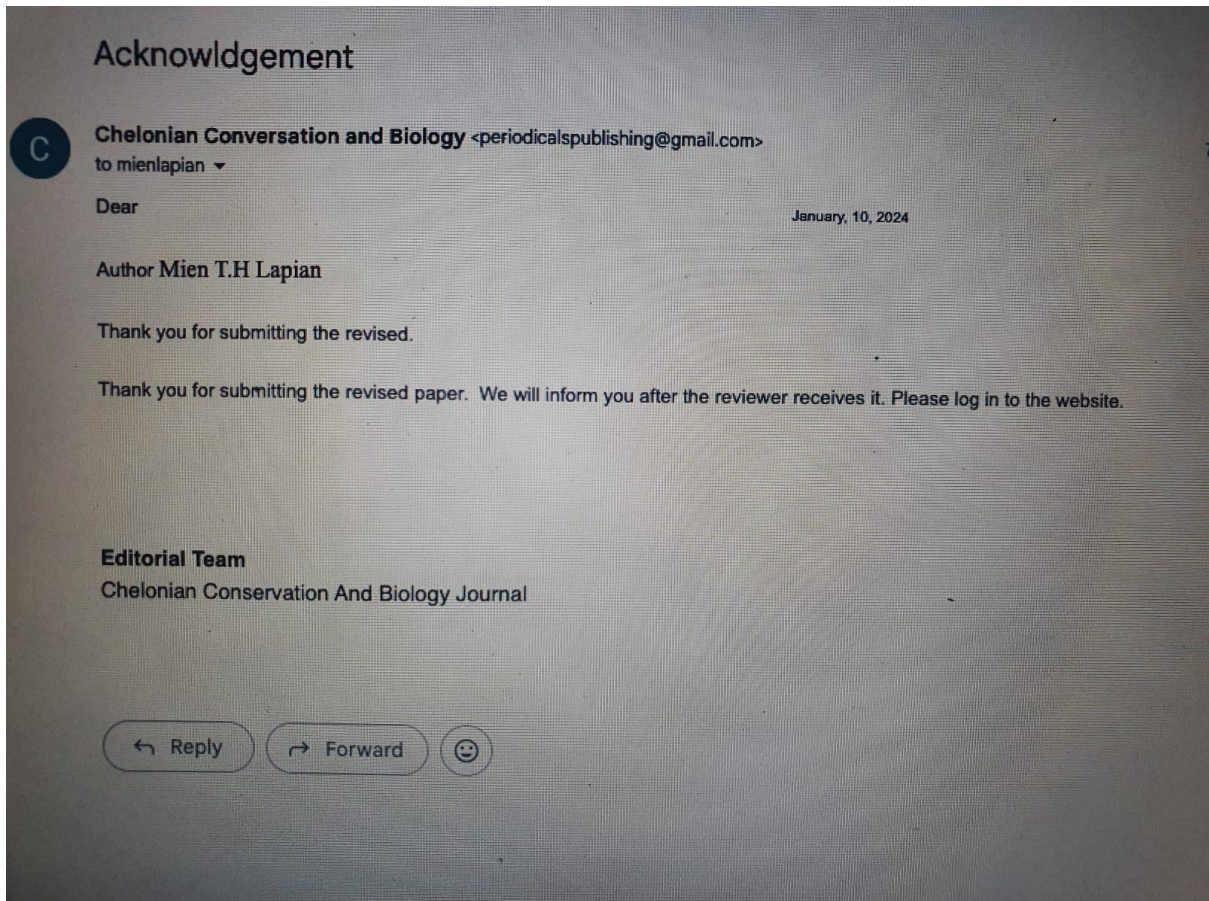

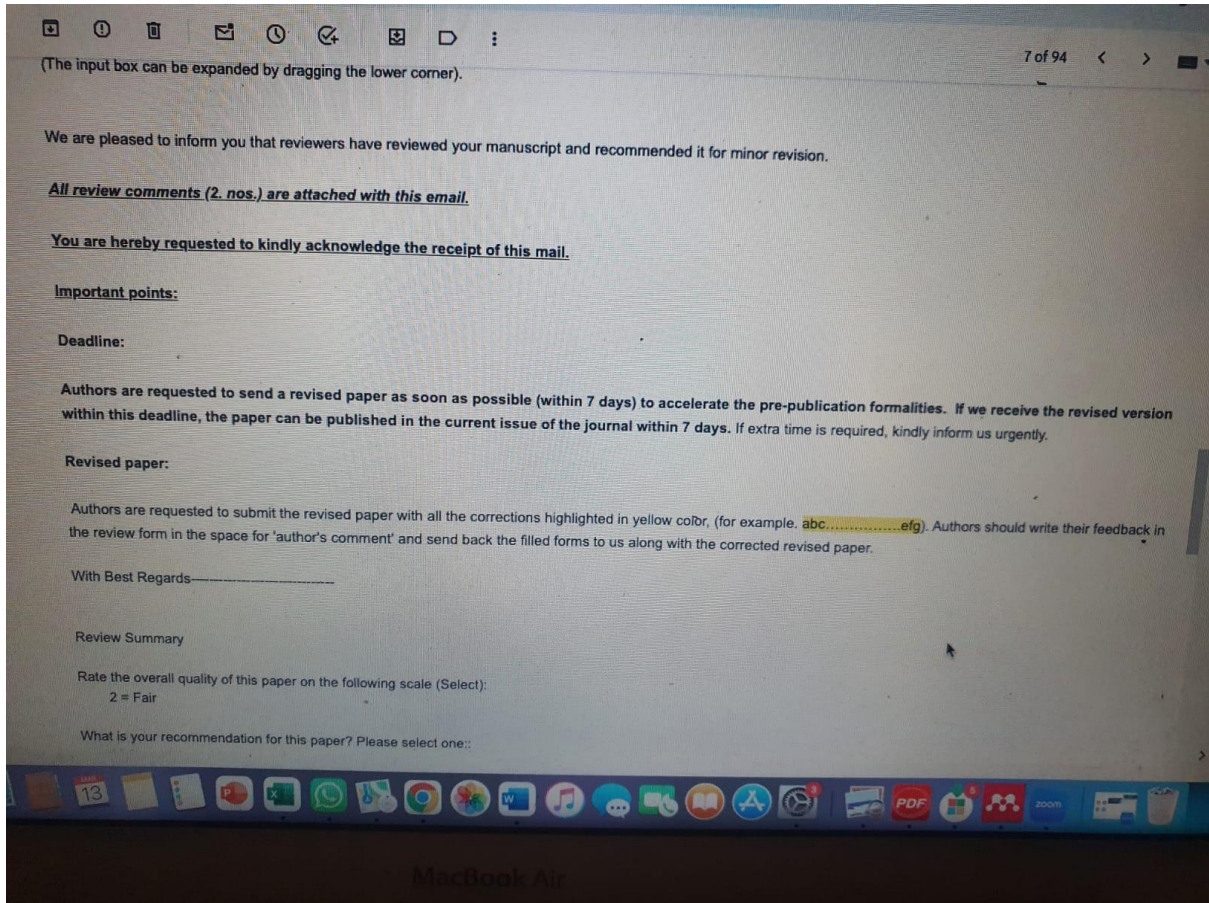

B = No, it is not

Is the bibliography complete?:

A = Yes, it is

Is the English acceptable?:

B = No, it is not

ACCEPTED

10:23 PM

Dear Author,

28 February, 2024

Mien T.H Lapian

Please find attached the PDF and MS word versions of the Galley Proof of your accepted manuscript.

Important Note 1: Kindly carefully change the reference style (Changes should be made in the Reference Section as well as in the JOURNAL style. Reference style mismatch may result delay in publication. The reference numbers in the text should be corresponding reference for numbers [1], [2], [3],should be presented in the reference list accordingly. Kindly see the guideline) to refer the JOURNAL reference style.

Please go through the manuscript very carefully. At galley proof stage no change is allowed. Authors are strongly advised not to change of the manuscript. Only minor **spelling/style/punctuation/grammar** changes are allowed at this stage. Kindly note that type set change requires additional approval from reviewers and editors.

Best regards,

Editorial
