Reviewer A:

This paper already has novelty and good contributions in accordance with existing research objectives. Abstract writing is correct and provides good information about the research objectives, the methods used and the research results. The writing is in accordance with the provisions, namely the maximum number of words is 250 words. The introduction is good with a clear background and has a strong gap in analysis. The introduction has also contained the latest research and good contributions in accordance with the objectives of the research being studied. The research method is clear and systematic, with systematic stages and has a good flow chart. The discussion is good and already has clear and complete arguments with arguments that refer to relevant and current journals. The making of figures and tables is in accordance with the 2021 template. The conclusions are good and clear, and are in accordance with the objectives. Reference is relevant and precise and in accordance with the main study of research.
