Dear Prof. Eko,

Thank you for sending me the reviewer comments. When will be the due date to send the revised version back to the Editorial Team?

Best regards,

Margareth R. Sapulete

Dear Pak Redi,

Please find out the revised manuscript in the attached file. Eight experts as informants are enough because they are people who have expertise and experience in ASGM. They know precisely the conditions in the research location (Imandi village, East Dumoga district, Bolaang Mongondow regency).

Thank you and regards,

Margareth R. Sapulete

[JDMLM] Editor Decision

From: Editorial Team (editor.jdmlm@ub.ac.id)

To: margarethsapulete@yahoo.com

Date: Sunday, October 16, 2022 at 05:55 PM GMT+7

Etha Margareth Rosalinda Sapulete:

We have reached a decision regarding your submission to Journal of Degraded and Mining Lands Management, "Risk analysis of gold processing in artisanal and small-scale gold mining in Bolaang Mongondow Regency, North Sulawesi, Indonesia".

We decided to ACCEPT your revised manuscript after a few typos and other details that our editors have handled. The galley proof of your article will be sent to you soon for proofreading. The paper will likely come in volume 10 number/issue 2 (01 January 2023).

Thank you for considering this journal as a venue for your work.

Sincerely yours,

Prof Eko Handayanto PhD
